Dear UE Local 893-IUP Members:

I am writing to encourage you to take part in the 2009 One Gift Campaign.

Helping others, especially those with few of society's advantages, is what most of our jobs entail. In addition, I know that many of us work together with our communities to make them better places for our families and for the people we serve.

The One Gift Campaign is just one more way to help. It is a natural extension of our commitment as public employees.

In Solidarity,

Becky Dawes
